**Attachments:** None

**Recommendation:** It is recommended that the State Board hear and discuss this information.

**Background:** Iowa's 15 community colleges offer thousands of credit and non-credit courses. The 2011 Annual Condition of Iowa's Community Colleges Report provides fiscal year 2011 and trend data on community college enrollment, programs, human resources, and finances. This year's report includes a new section related to community college on-line course enrollments. This report is supported by Management Information System (MIS) data, as reported by Iowa community colleges to the Iowa Department of Education, Division of Community Colleges, and additional references, which are identified in the body of the report. Data are based on fiscal years 2007, 2008, 2009, 2010, and 2011.
